

# How Blend streamlines the end-to-end mortgage for loan teams

**Blend's Mortgage Suite enables lenders to become even more proficient at their jobs.**

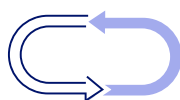

By transferring key workflows to one unified platform — with a corresponding mobile app — loan teams can save time and build stronger relationships.

## Excel across the mortgage journey with Blend

Minimize  
manual work

Boost  
efficiency

Improve  
communication

“

The partnership with Blend has allowed us to significantly accelerate our time to market with industry-leading customer experience. Leveraging Blend's dynamic online application, data services, and customer connectivity allows us to focus on our strengths as a trusted advisor offering a broad range of products to help customers achieve their homeownership goals.

EXECUTIVE, A TOP FIVE BANK IN THE U.S.

## Use one convenient workspace for key tasks

Capture leads

Run borrower credit

Create loan scenario comparisons

Automate verifications

Generate pre-approval letters

Share estimated closing costs

“

Blend has some of the best tools for both originators and for processors.

RUTH GREEN, COO, PRMI

## Connect with borrowers one on one

Blend gives lending teams more time and resources to do what they do best: guide borrowers through the mortgage journey with knowledge and compassion.

“

Important in our selection process was choosing a technology partner who understood our vision for taking the burden out of the mortgage process so our team of mortgage professionals can focus on understanding and meeting our customers' needs.

EXECUTIVE, A TOP FIVE BANK IN THE U.S.
