settlement agents use Blend Close, a 10x YoY increase between March 2021 and March 2022

What banks and loan officers are saying about Blend Close

“ ”

I completed my first two closings with Blend and I'm amazed by how easy it was. Even when one of the borrowers forgot to eSign documents, I was able to walk through it with them at the closing table. It was quite simple!

Title and Escrow Agent  
Alliance Title & Escrow Corp.

“ ”

With all the progress we’ve made to provide a better mortgage application experience for consumers, enhancing the closing process is the next critical step in giving customers the experience they deserve when financing the home of their dreams.

Tom Wind  
Executive Vice President Consumer Lending  
U.S. Bank

What borrowers are saying about Blend Close

“ ”

Everything went smoothly, the notary was very knowledgeable and was able to walk me through everything. The instructions were very clear.

“ ”

It was very quick, we finished in about 10 minutes, didn’t have any questions, and it was easy to use.
